

Annual Donor Recognition, With Sincere Appreciation

Annual Donor Recognition

The MyMichigan Health Foundation, MyMichigan Medical Center Saginaw Foundation, and Field Neurosciences Institute deeply appreciate the generous financial support received in 2025. Thanks to the generosity of our employees, area businesses, foundations, physicians, and community members, we were able to purchase essential equipment, fund vital programs, support care coordinators and medical social workers, construct and renovate facilities, and provide compassionate care to those we serve.

As a token of our gratitude, we have established an annual donor recognition program, which acknowledges total contributions made by each donor throughout the calendar year. Below is a list recognizing those whose generosity between January 1 and December 31, 2025, made a meaningful impact.

We extend our heartfelt thanks—your gifts make a difference every day.
